Your Mortgage Application Checklist

It takes time to pull together all the documents you need to apply for a mortgage. We've made it simple and compiled a list of what you need in one place.

If you or your partner are self-employed there are some additional documents you will need:

- ✓ Most recent 3 years signed financial accounts
- ✓ Confirmation from Accountant that the tax affairs are in order
- ✓ Copy of 3 most recent years tax returns (P21 or Form 11 and Chapter 4 Revenue Cert)
- ✓ Most recent 12 months business bank account statements

We'll search the market and find the right lender for you
